

# An Invitation

to join

## The Spirit of Construction Foundation of Greater Cincinnati, Inc.

Please join the associations, companies and individuals who have supported this Foundation to date, and gain the satisfaction of carrying forward its noble purpose.

### STATEMENT OF PURPOSE

The principal purpose of the Foundation shall be to recognize, celebrate, and elevate the Construction Industry and its contributions to the civic, aesthetic, and economic well-being of the Greater Cincinnati Region. This purpose shall be pursued by activities including honoring eminent constructors and their achievements, and promoting civic and educational ventures which benefit construction.

There shall be an annual meeting called a Celebration of Construction, at which time individuals and their careers shall be publicly recognized in a manner fitting significant accomplishments in a noble industry.

Membership in the foundation shall be composed of Associations, Companies, and individuals who wish to tangibly support the activities of the Foundation.
